

STAR FLEET ALERT

23 FEBRUARY 2009

NEW PRODUCT RELEASED

STAR FLEET BATTLES MODULE G3 MASTER ANNEX FILE

Everything About Everything!

The most asked about *Star Fleet Battles* product in the last year, *Module G3* is the complete “annex” file including the Master Ship Chart, Master Fighter Chart, Master Gunboat Chart, complete Sequence of Play, and all of the other annexes and data tables for the entire Alpha Octant of the Milky Way Galaxy.

Everything has been completely updated. All of the information from new products over the last four years has been included: *Module R11*, *Module X1R*, *Module Y2*, *Module F1*, *Module F2*, as well as *Captain's Logs #32, #33, #34, #35, #36, #37, and #38*.

New material in development includes the Technology Timeline, Master Weapons Chart, Megafighter listings, a comprehensive set of charts and tables from all rules.

Unlike the previous mail order product *Module G2*, this product has a color cover and be available in local game stores everywhere.
